

**“A lot has changed
over the years,**

**but not our
spirit of caring.”**

For 85 years, St.Vincent Frankfort Hospital has been serving the health care needs of residents of Frankfort and surrounding communities. From our humble founding in 1922 as Clinton County Hospital to our current partnership with St.Vincent Health and Ascension Health, we have consistently evolved while never losing sight of our tradition of providing quality, compassionate care. That, coupled with our advanced technology and state-of-the-art medical equipment, allows us to deliver the best care, close to home. As reflected by our past, we know our mission has no boundaries; therefore, we continue to plan for the future.
