Delivers of Truth - Designers of Order

RESIST THE IMPULSE TO MOVE MOUNTAINS.

A classic reborn, the DX Series Farmall[®] tractors offer the same rugged versatility that revolutionized farming in the 1920's. Easy to operate with lots of legroom, they range in power from 18 to 55-engine hp. The ability to quickly connect different attachments makes Farmall tractors unique. Want to power-mow hilly acres? Dig up tree stumps? Plow long driveways? No problem. Choose front and rear snowblowers, loaders, front blades, mid and belly-mounted mowers, or a backhoe. Your Cash IH dealer can help you determine the Farmall model and implements that fit you and your place. Take a Farmall home today and let it tear into your chores.

NEVER STOP DRIVING.
