

# Lady Oracles fall short at Regional

By John Dunn  
Contributing sportswriter

Squandered opportunities.

Given the bases loaded in four different innings, the recipient of nine walks vs. none allowed, no earned runs given up, 18 batters reaching base vs. the opponent's nine, and throw in striking out the opposing side in the 1st inning - most coaches would take those advantages in every game played on any day of the week.

But head coach Randy German's Delphi girls' softball team was left wondering what could have been following its 3-1 loss to Winamac at the Class 2A LaVille Regional played at Lakeville on Saturday.

The Lady Oracles were in the game until the final out when Kristina Barnard hit a shot to left-center with the bases loaded in the 7th inning, only to be snared by Warrior centerfielder Stephanie Malott to end the game.

Had it dropped, Delphi most certainly would have scored the game-tying runs, and would have still been batting with the go-ahead run in scoring position.

Instead, the ending played out like most of the game - with the Lady Oracles feeling like they were the better team, while coming up short in almost every inning they mounted a serious scoring threat.

Delphi certainly deserved better, as did senior pitcher Ashley Brodar (13-11), who took the hard-luck loss in her final game, despite not allowing an earned run, striking out six against no walks, and scattering only six hits.

But on the flip side of the stats page, more telling stats of 12 runners left on base, only four hits and four costly errors doomed the Oracles in their bid for a first-ever Regional title.

All three Winamac runs scored during innings in which Delphi's normally stellar defense betrayed them, including the game's first run in the bottom of the third inning that scored as a result of a throw to second base on an attempted steal that got by both the shortstop and centerfielder, allowing Kara Crawford, who had singled, to score from 1st base.

Aided by the nine walks given up by Warrior pitcher Rachel Mendiola, Delphi loaded the bases in the 3rd, 5th and 6th innings before finally scoring its only run in the 7th inning. That's when Brodar walked with one out, took second on a groundout and scored on an errant throw to first when Allison Cook beat out an infield single.

Kirsty Flora then beat out a grounder to short for a hit, and Alyssa Lewis walked to load the

bases for the fourth and final time before Barnard's smash to center was caught for the final out.

Delphi's Brittany Tyner singled in the 5th inning, and Lewis singled in the 6th for the only other Oracle hits besides the two during the final inning rally.

Winamac (22-5) added single insurance runs in both the 5th and 6th innings to cling to the victory.

German, completing his first year as head coach of the softball program, has a lot to look forward to as he returns six sophomore starters from this season's 14-16 Sectional championship team.

Brodar, Flora, Lewis, Cook and Sam Grimes played their final games for the Lady Oracles, but laid the groundwork for future success of the program with tremendous poise and leadership.

The group leaves with two Sectional championships in the last three years, the only two in the short history of the softball program.

Winamac lost the Regional title game to Hammond Bishop Noll by a score of 6-2.

Interestingly, two of Delphi's early season opponents — Frankton (26-2) and Cass (25-2) — both advanced to the Class 2A State Finals to be played this weekend in Indianapolis.

Delphi senior catcher Kirsty Flora (left) and senior pitcher Ashley Brodar, shown here holding this year's Sectional championship trophy, played their final game together in the 3-1 loss to Winamac at the LaVille Regional on Saturday. The two have played softball together for over 10 years, and Flora has caught for Brodar for the past seven years. Photo provided

# Oracles are sectional runners-up

The Oracles made it to round two of the North Montgomery Baseball Sectional after defeating Sheridan 7-1. This time the opponent was Fountain Central.

Sophomore Kyle Bender took the mound. It did not start out great for Bender. The second hitter hit a triple over the center fielders head. The next hitter hit a shot up the middle and Ryan Replogle laid out to snag the shot and nearly doubled off the runner at third. The next hitter grounded back to Bender to end the inning.

In the bottom half of the first Brock Zarse kept his hitting going with a lead off single. Banes followed with a single of his own, as did Scott Seabolt plating Zarse. Scott Brothers hit yet another single, scoring Kory Banes. The Oracles were up 2-0 at the end of one.

Fountain Central came back in the second and scored two runs of their own, hitting the ball hard. In the bottom half of the second, Cameron Norman had a single to start the inning. Corbin Beamer moved him to second on a fielder's choice. Josh Mullin flew out to center giving the Oracles two outs with Zarse coming to the plate. Zarse laced his second hit of the game up the middle scoring Cameron Norman. Zarse ended at second. Then the storms came.

There was nearly a two hour rain delay before play started again. At the end of the second, the Oracles were ahead 3-2. The rain delay settled Bender down and he shut the potent bats of Fountain Central down for the next three innings. In the fourth inning Mullin stepped to the plate and hit his first home run of his career. Zarse followed with a triple and Banes knocked him in

again leaving the score at 5-2.

In the sixth Bender surrendered a double to the lead off hitter and walked the next batter leaving two men on and no outs. Brothers entered the game here. On his first pitch a fast ball moved the runners to second and third, nobody out. A few pitches later there was a wild pitch to plate the first run of the inning. The hitter grounded out to second for the first out yet their second run of the inning scored.

Brothers got a great defensive diving catch in foul ground by Zarse for the second out and his 99th strike out of the season to end the inning. The Oracles were up 5-4 going into the top of the seventh. The first hitter flew out to Norman at second. The second hitter was Brother's 100th strike out victim. An Oracle error gave the Fountain Central squad hope but the next hitter hit a ground ball to Mike Myers who

made a strong throw to first to end the game.

The Oracles fell to Seeger 8-6 in the championship game. Seeger led the entire game.

## Vs. Sheridan

The Oracles played their first sectional game Memorial Day. The Delphi squad played North Montgomery in game one. The Oracles came out on top 7-1. Brothers got the win on the mound. He struck out seven and allowed only six hits. The game started in the first inning when Banes walked and Scott Seabolt reached on a North Mont error. Brothers came to the plate and reached on another error which scored Banes. Seabolt came in and scored on a Ryan Replogle ground out

In the second inning Cameron Norman walked and was sacrificed to second by Mullin. Zarse hit a single to score Norman. In the fourth inning Coy Pennington

walked and was sacrificed to second by Norman. Mullin reached on another error. Zarse doubled in Pennington. Banes followed with an RBI single scoring Mullin.

In the seventh Tyler Cooper pinch hit for Mullin and led off the inning with a home run. This was Cooper's first varsity at bat. Zarse followed that with another double. Zarse was thrown out at the plate on Seabolt's fielder's choice. Brothers knocked Seabolt in with his second single of the game.
