The Holdens purchased the Delphi pharmacy from Frank and Rosie Fitch in May 1989. They also have owned a pharmacy in Mulberry. They plan to continue operating the Mulberry store.

Roads were closed around the county due to washed out culverts and high waters from swollen streams and the rising Wildcat due to torrential rains over the weekend which continued into Monday. Erosion along C.R. 650 South between Prince

William Road and 400 West closed the road to traffic following the downpour. A portion of County Road 350 West, between 600 and 650 South vanished into the stream below. Flooding washed out the road and the earth beneath it creating a gully next to the culvert.

Halls Foodliner advertised bread for \$.33 for 2-20 oz. loafs and a dozen lemons for \$.39. Sugar also cost \$.95 for 10 pounds! Ice cream was \$.89 a gallon and steer liver was \$.29 a pound.

Whether you are a "Medic" fan of television or whether your read in Readers Digest this past issue, you'll be interested to know that a Delphi woman this past week submitted to one of the most advanced and most complicated heart surgeries now in use in America. The surgery took place at Cleveland Friday and Sunday and the woman was taken off the critical list. The hospital is one of only three in the world where such surgery is performed.

75 YEARS AGO

Carroll County Council cut off \$42,560 from what the various

They had degree work which was well carried out and the Masons of Flora received great praise for excellency in degree work and their royal entertaining. Refreshments were served and the brethren from the neighboring lodges will long remember the courtesy extended by the Flora lodge.

Banjotales coming to Cutler

Comet staff report

Cutler Presbyterian Church invites everyone to a Community Fun Night on Sept. 17 at 7 p.m.

The church is hosting "Banjotales," a lively program of story and song that makes history, literature, folklore and music come to life.

Presenting the program will be nationally-known storyteller and musician Dan LeMonnier. He has taken his combination of music, wit, and animation around the world - from the Shanghai Children's Palace to the Smithsonian Institute and the 53rd Presidential Inaugural. He has also performed at hundreds of schools, libraries, art centers, and churches throughout the Midwest.

His recordings include "Grimms in America," "Prairie Visions," and his lat-

est release, "Begin Again." The new release includes songs for the whole family from the Children's Chat Series at Westminster Presbyterian Church where he is a youth leader, deacon, and Stephen Minister.

Many people remember him for his nearly 20 years performing as Chicago Bulls mascot, Benny the Bull.

LeMonnier received a B.A. in theatre arts from Marquette University and an M.F.A. in acting at DePaul University's Theatre School. He is a recipient of the 2005 Frank Basile Emerging Stories Fellowship from Storytelling Arts in America and was a finalist for the 2004 Brimstone Award in Applied Storytelling from the National Storytelling Network.

Born and raised in Chicago, he now lives in Munster with his wife, Shari, and their two children, Flynn and Claire.
