

EDUCATION NEWS

PAMELA J. SCHNEPP, formerly of Delphi, has completed classes at the Illinois Nail Academy, Arlington Heights, Ill., and received her state license as a nail technician. In lieu of doing an internship at the school, she was asked to train at the Hair Salon, in areas of nail arts, gel, acrylics and nail care. She has been employed there since September 2005.

Mrs. Schnepf and her husband, Leslie A. Schnepf, reside in Wood Dale, Ill. She is a 1967 graduate of Delphi High School.

Schnepf

EMILY DIANNE ZINK of Delphi graduated cum laude from the University of Indianapolis with a Bachelor of Science degree.

Carroll County on the Same Page will conclude with a grand finale on Oct. 8 at the Wabash & Erie Canal Interpretive Center in Delphi. The special event is called "Capturing Carroll County: Completing the Circle." The event will be held from 2 to 4 p.m. and will include a show and tell featuring stories, poetry, photographs, and other creative works that patrons may like to submit.

Forms are available at all three public libraries. Entries must be delivered to one of the libraries by Sept. 29. A dessert social and display of creative works will be shared in the celebration of Carroll County.

Fall Storytime will begin again in October. It will be held each Wednesday at 4 p.m. beginning Oct. 4. All children are welcome.

Flora-Monroe Township

The library is pleased to announce that a national award given to the Beta Alpha Chapter, Psi Iota Xi, is being displayed on the lower level of the library close to where the group meets. The framed artwork was given to the chapter at its national convention. The rotating award is for the most money donated per chapter, per capita to all cultural projects. This beautiful piece of art chosen by the Hoosier Art Salon will be on exhibit in the Flora Library for one year.

Thousands of libraries and bookstores nationwide will celebrate the freedom to read during Banned Books Week, celebrated through Saturday. They will support the occasion with displays of books that have been banned or threatened throughout history. Observed since 1982, the annual event is a celebration of the freedom to read and reminds Americans not to take this precious freedom for granted.

During this week the library will have books on display that have been challenged or banned over the years. Patrons are invited to choose to check out any of these books, reminding themselves that they have this freedom of choice.

The theme of the next storytime is "Libros en Espanol." Learn some basic Spanish words as we celebrate National Hispanic Heritage Month. Storytime is Tuesday mornings at 10 a.m.

Hear stories 24 hours a day on the library's Dial-a-Story phone line, 967-3814.

A Gold Mine in Bedroom Drawers

Newswire: People are selling their old scrap gold that is gathering dust for its cash value because gold prices are so high. With the price of gold at a 25 year high (over \$650.00 per ounce), it makes sense. ScrapGold.com, a gold recycler, offers free insured recycle kits so people may cash in their scrap with 24 hour service and guarantee satisfaction. They accept broken and outdated items like chains, charms, rings and more. "Everyone has bits of gold just lying around which can be turned into cash" says Richard Zakroff, VP of marketing. "Even old dental gold has value." ScrapGold.com processes over 10,000 recycle Kits per month. People can get a free GoldKit at 1-800-283-4700 or ScrapGold.com.
