WEIGHT LIMITS

(A)Purpose. The purpose of this section is to establish weight limits for county highways and bridges.

(B)Highway Load Limits. It shall be unlawful for any person to operate or permit to be operated, any vehicle loaded or unloaded, the gross weight of which is in excess of the posed limit of the highway at any time when such limit is in effect, and specifically:

No vehicle of four wheels or less, whose gross weight, including load, is more than 28,000 pounds; and no vehicle having a greater weight than 22,4000 pounds on one axle; and no vehicle having a load of over 800 pounds per inch width of tire upon any wheel concentrated upon the surface of the highways, said width in case of rubber tires to be measured between the flanges of the rim, shall be operated upon the highways of this County.

(C)Bridge Load Limits. It shall be unlawful for any person to cross any bridge on any highway which is a part of the county highway system with any vehicle, loaded or unloaded, when the gross weight is in excess of weight limitations posted at the entrance of such bridge.

SPECIFIC WEIGHT LIMITATIONS

The weight limitations on specific bridges is as follows:

BRIDGE NUMBER	CLEAR BRIDGE WIDTH (ft)	GROSS TONS FOR SINGLE UNIT VEHICLE	GROSS TONS FOR SEMI TRUCK & TRAILER

SPECIAL WEIGHT LIMITATIONS
UNDER SPECIAL WEATHER DAYS

A. At any time when any County unit of the County highways system of Carroll County, Indiana, is thawing or wet it shall be unlawful for any person, firm or corporation to operate or cause to be operated any motor or other vehicle over said highway or highways of said county other than according to the following weights to-wit:

B. Vehicle and Driver Included. The following weights shall govern the operation of vehicles during wet or thawing weather:

1. Vehicles with tires less than 3 inches in width limited to 2,000 pounds.
2. Vehicles with tires 3 inches and less than 4 inches in width, limited to 3,000 pounds.
3. Vehicles with tires 4 inches and less than 5 inches in width, limited to 3,000 pounds.
4. Vehicles with 6 inches and over in width limited to 3,800 pounds.

C. During freezing and thawing or wet weather, in addition to the above limitations it shall be unlawful for any motor vehicle to be operated upon any county highway with any load whatsoever if such vehicle be a commercial vehicle, and any such vehicle shall not be operated even if unloaded if the weight of such vehicle exceeds the weight set out in this ordinance.

PENALTY

A. Any person violating any provision for weight limitation commits a Class C Infraction, and in addition may be subject to civil damages to the County for damage to the roads and civil penalties that may be imposed pursuant to Indiana Code Sections 8 and 9.

B. Any person who violates the speed regulation set forth herein commits a Class C Infraction.

C. Any person who violates the regulatory signs set forth herein commits a Class C Infraction.

HIGHWAY PARKING REGULATIONS

(A) Purpose. The purpose of this section is to regulate parking on county highways.

(B) Parking Restrictions.

(1) No person shall park any vehicle upon any highway, street, or in an alley in such a manner or under such conditions as would leave available less than ten feet of the width of the roadway for free movement of traffic.

(2) No person shall park a truck that is wider that 8 feet or higher than 10 feet or longer than 28 feet, which dimensions shall include any load carried thereon on any highway, street or alley, except when loading or unlading as provided by this chapter or other ordinance of the city.

(3) No person shall park a semitrailer, either along or coupled to a tractor on any highway, street or alley, that is when alone or coupled to a tractor, wider than 8 feet, higher than 10 feet or longer than 36 feet, which dimensions shall include any load carried thereon, except when, loading or unloading.

(4) No person shall park a bus that is wider than 8 feet or higher than 10 feet or longer than 26 feet on any highway, street or alley.

(5) No person shall park any vehicle whose gross weight, including any load, exceeds 7,000 pounds on any highway, street or alley, except when loading or unloading.

(6) No person shall park any vehicles wider than 7½ feet on any unimproved highway or street or any highway or street whose paved surface is less than 40 feet, except when loading or unloading.

(7) No person shall park any vehicle over seven feet high within 50 feet of any intersection, except when loading or unloading.

(C) Exceptions.

(1) The provisions of divisions (B)(2) through (6) above shall not apply to any state highway within the county, nor to any vehicle which incurs mechanical failure when the person in charge of the disabled vehicle has placed one lighted flare or electric lantern at least 100 feet in front of such vehicle and one lighted flare or electric lantern at least 100 feet to the rear of such vehicle.

(2) The Sheriff may for specific purposes and for a limited time, grant approval for parking of vehicles not in compliance with this section.

(D) Penalty. Any person who violates the Highway Parking Regulations herein commits a Class C. Infraction.
