

Library

Camden

Storytime is held each Thursday at 4 p.m. at the Camden-Jackson Township Public Library. All children are welcome to join the fun. Last week children played a new Halloween Bingo game.

Delphi Public

Kid Flick Friday, scheduled for Nov. 2 at 4 p.m., will feature the popular film about siblings Noah and Emma who begin to develop special talents after they find a mysterious box of toys. One toy Emma finds is a stuffed rabbit named Mimzy. The kids, their parents and their teacher are drawn into a strange new world and find a task ahead of them which is far more impor-

tant than any of them could imagine! Kids will enjoy this great after school feature. Popcorn will be served too!

Is your Christmas gift list growing? Looking for that special decoration or gift? Come and create your own unique Holiday banner Nov. 3 from 9 to 11:30 a.m. Class size is limited and a materials fee is due upon registration.

Steven Hill, a mix of James Taylor, The Beatles and Bruce Springsteen, will grace this month's Coffee Beat with his easy and upbeat musical style. Hill infuses those influences with a captivating sound all his own. Enjoy great coffee, atmosphere, desserts and live music wrapped into one evening

of entertainment Nov. 10 at 7 p.m.

Basic Spanish Language Classes will be offered at the library on Wednesday evenings beginning Nov. 28. Individuals interested in learning conversational Spanish should contact the library for registration.

The loud whistling signals, the conductor calling out to passengers, steam pouring from the engine - these are just a few of the sights and sounds of the bygone era of traveling by train. Model train devotees help bring back that experience in minute detail. Doug Howard, model train enthusiast, has a large collection of model trains that will be displayed in the library to help celebrate National Railroad Month, celebrated every November.

Model railroading is a hobby in which rail transport systems are modeled at a reduced scale, or ratio. The scale models include rail vehicles (locomotives, rolling stock, streetcars, etc.), tracks, signaling, scenery (roads, buildings, vehicles, model figures, lights, and natural features such as streams, hills, canyons, etc.). The earliest forms of model railways are the 'carpet railways' which first appeared in the 1840s. Model trains are generally more realistic than toy trains.

The model railroad exhibition will be located in the display cabinets on the main floor of the library through November.

The next preschool storytime theme is "Kangaroos." We visit the land down under, where the animals with their own pockets live! Fun and stories begin at 10 a.m., Tuesday mornings.

Dial-a Story is available 24 hours a day, 967-3814.

Cougar of the Month

Carroll Elementary 6th grade teacher Andrea O'Brien is Cougar of the Month for September.

She was nominated by Branton Leazenby. A sixth grader and football player, Leazenby said that "Mrs. O'Brien's daily morning quote 'helps me start my school day in a positive way.'"

Teachers and staff who are named Cougar of the Month receive a goody bag and framed picture of the nominating student and themselves. Students receive a goody bag and gift certificate from Burlington Scoop and balloons from The Tan Line & Balloons.

The Cougar of the Month is sponsored by Carroll PTO.
