

HOOSIER HOME COOKIN'

with Allison Meadows

Continuing with recipes for holiday entertaining, this week features installment number two of delicious fruit salads.

Creamy Frozen Fruit Salad is a slightly heavier version of traditional orange-pineapple juice-based salads. It's a beautiful salad when garnished with maraschino cherries or fresh strawberries and is worth the little bit of extra time needed to make this recipe. Cottage Cheese Lime Salad is as simple as they come, but it's delicious, light and tart. Don't let the addition of vinegar scare you!

Next week: veggies fit for the holidays. Happy eating!
