Change a life. A child's - and your own.

There are more than 500,000 American kids in foster care — and almost 10,000 right here in Indiana.
 As a foster parent, you can use your skills and experience to make life better for a young person.
 Through your good work, you will be providing a safe and loving home for a child during a difficult time — and you'll also be doing your part to make our community a better place, one person at a time.

Change a life — a child's, and your own. Learn more about becoming a foster parent by calling 800-168-4228 or visiting www.in.gov/dcs.
