

# Yeoman receives grant to fund wastewater study

## Comet staff report

The Town of Yeoman has been awarded a \$39,600 planning grant to fund a wastewater utility and storm water drainage feasibility study. The Indiana Office of Community and Rural Affairs administers the planning grants through the Small Cities and Towns Development Block Grant (CDBG) program.

The study will analyze the town's wastewater and storm water systems using aerial photography, land surveying, hydrology and preliminary engineering. It will provide

recommendations and assess future community service needs within the incorporated limits of the town.

The Indiana Office of Community and Rural Affairs was created by legislation in 2005, making rural Indiana a major

focus for the first time. Lt. Governor Becky Skillman was appointed as the first-ever Secretary of Agriculture and Rural Development. For additional information on OCRA and its programs visit [www.in.gov/ocra](http://www.in.gov/ocra).

## Library

### Delphi Public

Author, radio talk-show host, and speaker Kendra Smiley, the sister of Delphi resident Patsy McCammack, will be featured April 22 in a special program, "Empowering Choices," at 7 p.m. Call the library for a reservation. Seating is limited.

Morning Book Club will meet for breakfast and discussion April 25 at 9. This month's book selection is "Three Cups of Tea" by Greg Mortenson. In 1993 Mortenson was the exhausted survivor of a failed attempt to ascend K2. After being nursed back to health by the people of an impoverished Pakistani village, he promised to return one day and build them a school. The vow grew into one of the most humanitarian campaigns of our time by building schools, especially for girls, throughout the breeding ground of the Taliban.

The April 26 Coffee Beat will feature Steve Hill, at 7 p.m. The event will offer an evening of live music, hot coffee, desserts and wonderful ambiance.

Bring fiber arts projects to the April 28 meeting of In Stitches at 7 p.m. This would be a good time to wrap up those winter knitting, quilting and crochet projects. Bring a snack to share with the group.

For information call the library at (765) 564-2929.

### Flora-Monroe Township

A new art course is being offered by Brenda Daly. "A Study of Shadow and Light" will meet on Monday evenings, April 28, May 5, and May 12, from 7 to 8:30 p.m. The class will work from simple, three-dimensional objects in a still life setting. A light source will be created, to produce shadow.

Students will learn how shadows fall around an object and how to render them. Colors and shapes of shadows will also be observed. Register at the main desk or call the library, 967-3912.

New to our Get Fit, Flora! program is the addition of In-Shape Indiana's Ready, Set, Walk! The Ready, Set, Walk! program is challenging you to increase your activity through the simple act of walking.

Beginning this week we will ask you to count your steps and track your miles over the course of 12 weeks. Join thousands of your fellow Hoosiers - as you walk your way to better health. Get Fit, Flora! meets on Thursday evenings at 7:15 p.m.

April is National Poetry Month and we are celebrating with selected fourth grade students from Carroll Elementary School reciting James Whitcomb Riley poems. Call Dial-A-Story and hear Collin Burge reading, "The Bumblebee." Friday the poem changes to Kylee Retzlaff reciting, "The First Bluebird." Call Dial-a-Story at 967-3814.

The theme of the next story-time will be, "Lions and Lambs." Storytime is Tuesday at 10 a.m.
