Any person interested in submitting a bid for the Notes must furnish in writing to the Carroll Consolidated School Corporation c/o John Sayers, Superintendent, 2 South Third Street, Flora, Indiana 46929; (574) 967-4113, (574) 967-3831 (facsimile) on or before 9:00 a.m. (Indianapolis Time) December 12, 2008, the person's name, address, and telephone number. Interested persons may also furnish a teletype number. The undersigned Secretary will notify (or cause to be notified) each person so registered of the date and time bids will be received not less than twenty-four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by teletype, if a teletype number has been received. It is anticipated that the sale will occur at 11:00 a.m. (Indianapolis Time) on December 17, 2008.

At the time designated for the sale, the School Corporation will receive at the offices of Carroll Consolidated School Corporation c/o John Sayers, Superintendent, 2 South Third Street, Flora, Indiana and consider bids for the purchase of the following described Notes:

General Obligation Note of 2008 (the "Notes") of the School Corporation, an Indiana political subdivision, in the principal amount of \$1,970,000; Fully registered form; Denomination \$5,000 and integral multiples thereof; Originally dated the date of delivery of the Notes; Bearing interest at a rate or rates to be determined by bidding, payable on July 10, 2009, and semiannually thereafter; interest payable by check mailed one business day prior to the interest payment date or by wire transfer to depositories on the interest payment date to the person or depository in whose name each Note is registered with the Registrar on the fifteenth day immediately preceding such interest payment date; Maturing or subject to mandatory redemption on January 10 and July 10 on the dates and amounts as follows:

Date	Amount
July 10, 2009	\$500,000
January 10, 2010	\$500,000
July 10, 2010	\$500,000
January 10, 2011	\$470,000

The Notes are not subject to redemption prior to maturity.

The Notes have been designated as qualified tax-exempt obligations for purposes of Section 265(b)(3).

A bid may designate that a given maturity or maturities shall constitute a term note, and the semi-annual amounts set forth above shall constitute the mandatory sinking fund redemption requirements for such term note or notes. For purposes of computing net interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule set forth above.

Each bid must be for all of the Notes and must state the rate of interest which each maturity of the Notes is to bear, stated in multiples of 1/8th or 1/20th of 1%. The maximum interest rate of the Notes shall not exceed 7.00% per annum. All Notes maturing on the same date shall bear the same rate, and the rate of interest bid for each maturity must be equal to or greater than the rate bid on the immediately preceding maturity. Bids shall set out the total amount of interest payable over the term of the Notes and the net interest cost on the Notes covered by the bid. No bid for less than 100% of the face value of the Notes will be considered. The Notes will be awarded to the highest qualified bidder who has submitted a bid in accordance herewith. The highest bidder will be the one who offers the lowest net interest cost to the School Corporation, to be determined by computing the total interest on all of the Notes to their maturities based upon the schedule provided by the School Corporation prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Notes on the date of sale hereinbefore fixed, the sale may be continued from day to day thereafter, during which time no bids for less than the highest bid received at the time of the advertised sale will be considered. No conditional bids will be considered.

Each bid must be enclosed in a sealed envelope addressed to the School Corporation and marked on the outside "Bid for General Obligation Note of 2008".

The successful bidder shall make payment to the School Corporation, as registrar (the "Registrar") for the Notes and accept delivery thereof from the Registrar within five days after being notified that the Notes are ready for delivery, at such place in the City of Indianapolis, Indiana, as the successful bidder may designate. The Notes will be ready for delivery within 45 days after the date of sale. If the School Corporation fails to have the Notes ready for delivery prior to the close of banking hours on the forty-fifth day after the date of sale, the bidder may secure the release of his bid upon request in writing, filed with the School Corporation. At the time of delivery of the Notes to the successful bidder, the bidder will be required to certify to the School Corporation that they are holding these Notes for their own investment and that they are a sophisticated investor.

The successful bidder will be responsible for any other fees or expenses it incurs in connection with the delivery of the Notes. The approving opinion of Miriam Robeson, School Attorney, together with a transcript of the proceedings relating to the issuance of the Notes and closing papers in the usual form showing no litigation questioning the validity of the Notes, will be furnished to the successful bidder at the expense of the School Corporation.

The Notes are being issued for the purpose to pay the cost of renovation of the renovation of and improvements to Carroll Jr./Sr. High School, and will be direct obligations of the School Corporation payable out of ad valorem taxes to be collected on the taxable property within the School Corporation; however, the School Corporation's collection of the levy may be limited by operation of L.C.6-1.1-20.6 which beginning in 2008, provides a tax credit for any individual taxpayer's property tax bill in excess of 2% of its gross assessed valuation. The School Corporation may not be able to levy or collect additional property taxes to make up this short fall. Carroll Consolidated School Corporation is a school corporation organized pursuant to the provisions of I.C. 20-4, and the Notes will not be "private activity bonds" as defined in Section 141 of the Internal Revenue Code of 1986.

The Notes constitute an indebtedness only of the School Corporation. Interest on the Notes is exempt from all income taxation in Indiana. In the opinion of bond counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Notes is excludable from gross income for purposes of federal income taxation.

Further information relative to said issue may be obtained upon application to John Sayers, Superintendent, Carroll Consolidated School Corporation, 2 South Third Street, Flora, Indiana 46929. If bids are submitted by mail, they should be addressed to the School Corporation, attention of John Sayers, Superintendent, Carroll Consolidated School Corporation, 2 South Third Street, Flora, Indiana 46929.

Dated this 4th day of November, 2008.

/s/ Michelle L. Simmons  
Secretary, Board of School Trustees Carroll Consolidated School Corporation 4612
