*The Lois Powlen family would like to express our gratitude for the overwhelming show of support and caring given us during Lois' illness and passing. The cards, emails, posts on her website and visits meant so much to her and gave her an immeasurable boost of spirits.*

Thank you to her friends and co-workers for the gifts you gave her, especially all of the visits during her stay at Clarian Hospital. You were a great boost for her emotionally and physically. She loved being a nurse and loved her co-workers.

Thank you to the Delphi Presbyterian Church for your many wonderful meals during Lois' illness and after the services. A special thank you to Pastor Bill McLean for his enduring support throughout her illness and during her hospital stays. Thank you to Carl and Leah Abbott for making a very difficult time so much easier for us. The care you gave Lois and our entire family is something we hold dear to our hearts. Thank you to the great number of people who had long waits during the showing and funeral - it means very much to the entire family that you thought that much of her to endure it.

Thank you to our wonderful friends and neighbors for the hugs, food, prayers, encouragement, and so many other blessings you showered upon our entire family. Every kindness was a Godsend and it makes us glad we live in the community we do. We can't begin to express how much it means to have the outpouring of love shown to us by so many.

Lois was a very special, wonderful artist, organist, singer, wife, grandmother and, most of all, mom who touched many lives, especially ours. She gave so much love and in return, received a great amount of love. Her absence provides an emptiness that will remain forever for many of us; her memory, an ability to reclaim the warmth and love she provided to all of us.

*With much love and sincere thanks,  
Jim,  
Pam and Trent and boys,  
Kathy and Jon and boys,  
Brad and Elyce and girls,  
Craig and Jenna and kids*
