## Comet staff report

A scholarship workshop will be held from 1:10 to 1:40 p.m. Dec. 2 in the Delphi Community High School Little Theatre. Parents are encouraged to attend. The workshop will provide students and parents with tools

DANIEL MARTIN participated in the Indiana Bandmasters Association All-Region Honor band Sunday at Sunnyside Middle School. Twenty-seven schools were represented in the region and Martin, who is a part of the Delphi Community Middle School Band, played trumpet in the honor band. The honor band was conducted by Rick Granlund who was the band director at Delphi Community High School for seven years.

## Library

**Burlington**  
 Burlington Community Library will continue to offer Toddler Story Time on Thursdays, from 10-10:30 a.m. Dec. 4-18. Each week will have a special theme. Children will enjoy stories, music and art projects. Contact Karen at 765-566-3166 with any questions.

## Delphi Public

The library will close Nov. 26 at 6 p.m. and will re-open Nov. 28 at 10 a.m. for Thanksgiving. Computer Express is now available to check e-mails. The express station has a 15-minute time limit and is located directly across from the main circulation desk. A Ceramic Artshop taught by Lafayette artist Mary Firestone will be offered Jan. 31 at the Boy Scout Cabin at Riley Park. Participants will use the slab technique to create a vessel from clay and learn other techniques such as scrafito and how to apply slip. Materials are free but there will be a fee for kiln firing. To reserve a spot for the artshop call (765) 564-2929.

## Flora-Monroe Twp.

The library will be closed on Thursday, Nov. 27, for the Thanksgiving holiday. Normal operating hours will resume on Nov. 28. The library's halls are decked out for the holidays. Browse through your favorite magazine or newspaper while you relax with a nice cup of coffee or hot cocoa in the library's Book Nook Coffee Shop. Candy bars and soda are also available. The Book Nook is open during library operating hours. Horse lovers will enjoy the

new Equestrian Drawings exhibit in the Richter Program Room. The drawings are the work of students who attended a "plein air," outdoor afterschool art enrichment class for junior high grades at Carroll using a real horse model. Sketches were made from different angles with markers using angles to encourage contour lines. These sketches were followed by more detailed drawings in pencil or charcoal with shading, shadows and highlights. Lisa Eikenberry provided the beautiful live model horse, Cassie. Instructor for the class was Grace Woodruff.

The theme for the next storytime will be Travel. Over the river and through the woods, in planes, trains and automobiles. (Maybe a sled?) 'Tis the season to visit all our friends and family. Look out for those reindeer! Preschool storytime is Tuesday morning at 10 a.m. You can hear great stories 24 hours a day on the library's Dial-a-Story phone line. Currently playing is "Old Man Rabbit's Thanksgiving Dinner." On Friday the new story will be "Why the Evergreen Trees Keep Their Leaves in Winter." Call Dial-a-Story at 967-3814.

against the North Newton Spartans. The Cougars pounced on the Spartans early with a press that resulted in steals and lay-ups for a first quarter lead at 22-11. Yoder led the way with 6 steals and 20 points for the game. The Cougars cooled from the floor in the middle two quarters and allowed the Spartans to close the gap. Carroll led 34-27 at half and 41-39 at the end of three. The fourth quarter saw the Cougars run away from the Spartans, outscoring them by 10 in the quarter and winning the game 58-46. Following Yoder in the scoring column was Eller with 18 points and 7 rebounds and a double-double by junior Reinke with 15 points and 10 rebounds. The win put the Cougars in the championship game against the host Tri-County Cavaliers. Carroll started the championship game the way it ended the semifinal, shooting poorly from the floor. The Lady Cougars led 6-2 at the end of one and 12-8 at halftime. Yoder and Eller had 5 first half points apiece. The second half was faster-

## Team wins tourney

Carroll Elementary 6th graders (l-r) Courtney Atkisson, Bayleigh Filbrun, and Carly Kingery helped their Kokomo PAL basketball team win the league championship in the 6th, 7th, and 8th grade division on Nov. 16. They are the daughters of Doug and Tisha Atkisson of Burlington, John and Autumn Filbrun of Flora, and David and Cathy Kingery of Cutler. Photo provided

## DCES signatures part of space launch

### Comet staff report

Delphi Community Elementary School became part of history Nov. 14 when students' personal signatures were launched on the Space Shuttle Endeavor as part of NASA's Space Shuttle mission STS-126. The shuttle docked Nov. 20 during the tenth anniversary of the Space Station.

DCES students joined over 500,000 students from around the world last May in

signing giant "Space Day" posters. The signatures were downloaded onto a disc and given to the crew to fly on board the shuttle.

According to a NASA and Lockheed Martin press release, "Student Signatures in Space (S3)" is part of the award-winning "Space Day" educational initiative which was designed to stimulate young people's interest in space and technical studies. "It is an exciting mission that is sure to pique students'

interest as they follow the travels of their signatures," Barbara Reinike, Space Day program manager, said.

The poster signed by DCES students will be returned and placed on permanent display at the school along with an official NASA flight certification verifying that the signatures flew in space. A signed photo of the STS-126 crew will also be sent for display.

a shot under the basket and was fouled with 13 seconds left. TC made both free throws to lead 37-36. Eller missed a driving left-handed lay-up with 1 second left and Tri-County rebounded. A foul by Carroll and a missed free throw by Tri-County ended the game. Carroll was led in scoring by Eller with 13 and Reinke with 10.

## Albino deer shot

Ed McKenzie of Delphi shot an albino, six-point buck Nov. 16 on CR 700N., two miles off Carrollton Road. McKenzie's son spotted the deer earlier in the day and McKenzie shot it around 6 that evening. DNR advised McKenzie not to eat the meat since albino deer are a result of a genetic defect and only occur one out of every 100,000 born. McKenzie plans to have the head mounted. Comet photo
