Come into any public library in the county and pick up a copy of Bill Bryson's "A Walk in the Woods," the Carroll County on the Same Page 2009 selection. It is a true humorous account of Bryson's attempted trek of the Appalachian Trail and the people he encountered along the trail.
After you read the book, take a hike on one of the many trails in Carroll County. The hiking trails are one of the main reasons for our selection. Take your family along on your own adventure inspired by this story. We are interested in anyone who has hiked the Appalachian Trail. Please contact the Flora, Camden, or Delphi libraries if you would like to share your memories of the trail.
The theme for the next storytime is "Camping." Camping brings you to the great outdoors where we can go fishing, hiking, and of course, sit around the campfire and tell stories! Storytime fun is on Tuesday mornings at 10 a.m.
Hearing a good story is always available by calling the library's Dial-a-Story, 967-3814.

Delphi Athletic Boosters

For many years, thanks to the loyal support of parents, businesses, and dedicated fans of the Delphi Community Schools athletic teams, the Delphi Athletic Boosters have played an integral part in the outstanding programs we are fortunate to offer.
Over the years the Boosters have provided uniforms, equipment, awards, and medical supplies to the student-athletes of our great community. The donations of our Booster organization have touched every sport in many different ways!
All of the athletes at Delphi benefit from your membership in the Boosters organization. We need your financial support to continue to fund projects in support of our athletes.
Please consider becoming a Booster and investing in the student-athletes that attend Delphi Community Schools both now and in the years to come!!!
