All payments of interest on the 2009 General Obligation Bonds will be paid by wire transfer, or by check mailed one business day prior to each interest payment date, to the registered owners of the 2009 General Obligation Bonds as of the first (1st) day of the month of the interest payment date (each, a "Record Date"). July 15, 2011	135,000
January 15, 2012	135,000

*estimated and subject to change

The School Corporation reserves the right to adjust principal amounts within maturities to achieve approximate level annual debt service levies of the School Corporation based upon the rates bid by the successful bidder, the School Corporation's current debt service levy and the School Corporation's anticipated debt service levy during the term of the 2009 General Obligation Bonds.

Unless otherwise noted in the twenty-four (24) hour notice of sale received by all interested bidders prior to the sale date of the 2009 General Obligation Bonds, the 2009 General Obligation Bonds shall not be subject to optional redemption prior to maturity.

Upon the election of the successful bidder, any of the 2009 General Obligation Bonds may be issued as term bonds subject to mandatory sinking fund redemption on January 15 and

July 15 of each year at 100% of the face value in accordance with the schedule set forth above. If any 2009 General Obligation Bonds are subject to mandatory sinking fund redemption, the Registrar and Paying Agent shall credit against the mandatory sinking fund requirement for any term bonds and corresponding mandatory redemption obligation, in the order determined by the School Corporation, any term bonds maturing on the same date which have been redeemed previously (other than as a result of a previous mandatory redemption requirement) or delivered to the Registrar or Paying Agent for cancellation or purchased for cancellation by the Registrar or Paying Agent and not applied theretofore as a credit against any redemption obligation. Each term bond so delivered or canceled shall be credited by the Registrar and Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory obligations and the principal amount of that term bond to be redeemed by operation of the mandatory sinking fund requirement shall be reduced accordingly; provided, however, the Registrar and Paying Agent shall credit only such term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

Notice of any mandatory sinking fund redemption will be mailed by first class mail by the Registrar and Paying Agent not less than thirty (30) days prior to the date selected for redemption to the registered owners of all 2009 General Obligation Bonds to be redeemed at the address shown on the registration books of the Registrar and Paying Agent; provided, however, that failure to give such notice by mailing or a defect in the notice of the mailing as to the 2009 General Obligation Bonds will not affect the validity of any proceedings for redemption as to any other 2009 General Obligation Bonds for which adequate notice is given. Notice having been mailed, the 2009 General Obligation Bonds designated for redemption, on the date specified in such notice, will become due and payable at the then applicable redemption price. On presentation and surrender of such 2009 General Obligation Bonds in accordance with such notice at the place at which the same are expressed in such notice to be redeemable, such 2009 General Obligation Bonds will be redeemed by the Registrar and Paying Agent for that purpose. From and after the date of redemption so designated, unless default is made in the redemption of the 2009 General Obligation Bonds upon presentation, interest on the 2009 General Obligation Bonds designated for redemption will cease.

Any person interested in submitting a bid for the 2009 General Obligation Bonds must furnish in writing to the School Corporation's financial advisor, Therber & Brock, Inc., Attn: Mr. Lonnie Therber, 101 West Ohio, Suite 1590, Indianapolis, Indiana 46204, telephone: (317) 637-9572, on or before 11:00 a.m. E.S.T., September 4, 2009, the person's name, address, and telephone number. The person also may furnish a telex or facsimile number. The School Corporation will cause each person so registered to be notified of the date and time bids will be received for the 2009 General Obligation Bonds, not less than twenty-four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by telex or facsimile if a telex or facsimile number has been furnished. Each bid must be for all of the 2009 General Obligation Bonds and must state the rate or rates of interest therefor, not exceeding eight percent (8.00%) per annum. Such interest rate or rates must be in multiples of one hundredth (1/100) of one percent (1.00%). All 2009 General Obligation Bonds maturing on the same

date shall be of the same rate of interest. The 2009 General Obligation Bonds, at the successful bidder's discretion, may be bid as term bonds. Subject to the provisions contained herein, the award for the 2009 General Obligation Bonds will be made to the bidder offering the lowest interest cost, to be determined by computing the total interest on all 2009 General Obligation Bonds from the date thereof to the date of maturity or mandatory sinking fund redemption date, if applicable, and deducting therefrom the premium bid, if any, or adding thereto the amount of any discount, if any. Although not a term of sale, it is requested that each bid show the net dollar interest cost and the net effective interest rate on the entire issue. No conditional bid or bids for less than ninety-nine percent (99.0%) of the face amount of the 2009 General Obligation Bonds plus accrued interest at the rate or rates named to the date of delivery, will be considered. The right is reserved to reject any and all bids and to waive any informality in any bid. If no acceptable bid is received on the date fixed for sale of the 2009 General Obligation Bonds, the sale may be continued from day-to-day thereafter without further advertisement for a period not to exceed thirty (30) days, but if so continued, no bid will be accepted which offers an interest cost which is equal to or higher than the best bid received at the time fixed for the sale.

Each of the bids for the 2009 General Obligation Bonds must be on a customary bid form and shall be sealed in an envelope marked Bid for Delphi Community School Corporation, Carroll County, Indiana, General Obligation Bonds, Series 2009. Each bid must be accompanied by a certified or cashier's check or a financial surety bond in the amount of \$5,400 which shall be made payable to the Delphi Community School Corporation, Carroll County, Indiana against default by such bidder in complying with the terms of this Notice and of its bid. No interest will be allowed on any checks or deposit. If a financial surety bid is used, it must be from an insurance company licensed to issue such a bond in the State of Indiana, and such bond must be submitted to the School Corporation or its financial advisor prior to the opening of the bids. The financial surety bond must identify each bidder whose deposit is guaranteed by such financial surety bond. If the 2009 General Obligation Bonds are awarded to a bidder utilizing a financial surety bond, then the purchaser (the "Purchaser") is required to submit its deposit to the School Corporation or its financial advisor in the form of a cashier's check (or wire transfer such amount as instructed by the School Corporation or its financial advisor) not later than 11:00 a.m. E.S.T. on the next business day following the award. If such deposit is not received by that time, the financial surety bond may be drawn by the School Corporation to satisfy the deposit requirement. No interest on the deposit will accrue to the Purchaser. The deposit will be applied to the purchase price of the 2009 General Obligation Bonds. In the event the Purchaser fails to honor its accepted bid, the deposit will be retained by the School Corporation as liquidated damages. The checks of unsuccessful bidders will be returned immediately following the award of the 2009 General Obligation Bonds.

The successful bidder for the 2009 General Obligation Bonds will be required to make payment for the 2009 General Obligation Bonds in federal reserve funds and accept delivery of the 2009 General Obligation Bonds within five (5) days after being notified that the 2009 General Obligation Bonds are ready for delivery at a location desig-

nated by the School Corporation. Any premium bid must be paid at the time of delivery as a part of the purchase price of the 2009 General Obligation Bonds. The 2009 General Obligation Bonds will be ready for delivery within sixty (60) days after the date on which the award is made, and if not deliverable within that period, the successful bidder will be entitled to rescind the sale and the good faith check will be returned. Any notice of rescission must be in writing.

At the time of delivery of the 2009 General Obligation Bonds, the approving opinion of Barnes & Thornburg LLP, bond counsel, of Indianapolis, Indiana, as to the validity of the 2009 General Obligation Bonds, together with a transcript of the 2009 General Obligation Bond proceedings, and closing certificates in the customary form showing no litigation will be furnished to the successful bidder at the expense of the School Corporation. In addition, unless bond counsel is able on the date of delivery to render an opinion to the effect that, under existing law (1) the interest on the 2009 General Obligation Bonds is excludable from gross income for federal income tax purposes and (2) the interest on the 2009 General Obligation Bonds is exempt from income taxation in the State of Indiana for all purposes except the Indiana financial institutions tax, the successful bidder shall have the right to rescind the sale and in such event, the good faith deposit will be returned.

The School Corporation has, or will, designate the 2009 General Obligation Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

The expense related to printing CUSIP identification numbers on the 2009 General Obligation Bonds in addition to the CUSIP Service Bureau charges for assignment of numbers will be the responsibility of the successful bidder.

Within seven (7) business days of the sale of the 2009 General Obligation Bonds, the School Corporation will provide the successful bidder with 50 copies of the Final Official Statement at the School Corporation's expense.

In order to assist bidders in complying with SEC Rule 15c2-12(b)(5), the School Corporation, will undertake, pursuant to a Continuing Disclosure Contract, to provide the annual financial statements of the School Corporation and other information as set forth in Continuing Disclosure Contract. A description of this undertaking is set forth in the nearly final Official Statement and will be set forth also in the final Official Statement. The Continuing Disclosure Contract will be executed and delivered by the School Corporation at the closing of the issuance of the 2009 General Obligation Bonds.

If bids are submitted by mail, they should be addressed to the School Corporation's financial advisor, Therber & Brock, Inc., Attn: Mr. Lonnie Therber, 101 West Ohio, Suite 1590, Indianapolis, Indiana 46204, telephone: (317) 637-9572.
